Disbursement of Funds Criteria

The WeC.A.R.E. Fund is the heart of WeSERV and is devoted to assisting members who have undergone hardships or tragedies in their lives. Donations are made by WeSERV members to help such difficulties and disasters like auto and motorcycle accidents, health crisis, or tragedies that would present a member from working or being able to support his or her family. The WeC.A.R.E. Fund is built on the simple notion of serving a higher purpose of business through charitable giving in the communities where our members live and work.
