

ETHICS COMPLAINT [ADDENDUM]

In order to expedite your complaint and assure a comprehensive reply from the Respondent, we ask you, in addition to your general narrative, to specify below what you believe the Respondent has done, or not done, that violated the following Article of the Code of Ethics.

This form must be completed for each Article that you wish to charge and for each Respondent you wish to name. There can only be one Article and one Respondent per page. If you are naming more than one Respondent, you will need to complete one form for each Article of the Code of Ethics. *(Note: The Standards of Practice related to some of the Articles are not chargeable, but are there to explain and support any of the allegations charged. You may cite them in support of the Article you name, but do not need to list them on a separate page.)*
