

SEVRAR READIES FOR HABITAT HOME BUILD IN MESA

The **SEVRAR Affordable Housing Committee** is pleased to announce the progress for the next SEVRAR hosted Habitat for Humanity home to be built in Mesa for the Ahmed family.

The home will be built at 1208 W. 6th Avenue, Mesa with construction beginning January 12, 2008.

Yesuf Ahmed is currently employed as a Customer Service Representative for ACE parking company and has worked there since 2000. For Yesuf and wife Abeba, owning their own home is a dream come true. They are very pleased to be able to provide a safe and secure home for their family. Yesuf is excited about having a back yard for (one year old son) Eyad to play in and hopes to one day teach him soccer. Yesuf adds, "Habitat is giving us happiness and peace of mind, so thank you very much Habitat!"

The committee is now requesting SEVRAR members to volunteer - volunteers who will help build the new home for the Ahmed family.
