My priorities would be: more free continuing educational hours, more free technology, foreclosure, and short sale training to help us close more sales, more National Speakers in areas that can train and motivate us, more timely information so we can make better choices, a Stable and Strong Association for long term support. I ask for your support and your vote for Director.

Director (DR) Candidate:

Heidi Quigley

Office Affiliation:

United Broker's Group

I am running for a Director's position in the 2011 SEVRAR election because I believe I can contribute to the future growth and overall success of our Board, utilizing the skills I have developed through my real estate and business experience. I serve on Grievance, teach CE classes and am a SEVRAR Ombudsman. I believe I have developed an understanding of the challenges and opportunities we face as a Board. Our members have never needed Board support more! I have the commitment, time and energy needed to make a contribution to our real estate community. I am eager to serve.

Director (DR) Candidate:

Robert Thompson Wilder

Office Affiliation:

Wilder Real Estate

I have been a broker for 27 years in Arizona, Florida, Georgia, Washington, and Wisconsin with a unique perspective on real estate custom derived from English and Spanish law. My focus has been multi-family and educational housing nationwide. Our industry and country currently struggles with frenetic societal and economic change. This period will be characterized as the time our industry "got it right". Debate over the social conscience of business is moot. Short sales and foreclosures impact all and we can hope for salvation or stand up and make a difference in the lives of those who provide our livelihood.

This position is for a two (2) year term. Members will vote for two (2) Candidates for the Director (Designated REALTOR®, Broker Manager or Owner) position.

As we look ahead we see never-ending change and ever-growing challenges. I look forward to the future, bringing past experiences to guide me. I can tell you about my qualifications as a associate broker, former real estate business owner, mentor, broker licensing instructor, grievance committee member, etc. but these accomplishments don't matter nearly as much as the great people I have had the pleasure to meet along the way. As a board director for the SouthEast Valley Regional Association of REALTORS® this past year in 2010 and a graduate of their Leadership Program, I have acquired much knowledge and insight into the resources and services that make SEVRAR one-of-a-kind. As a resident of the Southeast Valley for almost 20 years, I know the importance of preserving the future successes of the association and maintaining those traditions while also bringing in a fresh outlook. I will continue to uphold a strong Code of Ethics in all areas of the REALTOR® profession, advocating for the members as well as the community.
