

SEVRAR MEMBER BENEFIT PROVIDERS

As a SEVRAR member you are entitled benefits from the following Benefit Providers. Because of the size of our association, SEVRAR is able to partner with businesses and negotiate special discounts, fundraising opportunities, and other valuable benefits exclusively for SEVRAR members. We encourage you to contact each of the providers listed to take advantage of the offerings they have put together specifically for you. SEVRAR is continually working to establish relationships with additional Member Benefit Providers to provide you with even more exclusive benefits in other categories.

All SEVRAR members are eligible to become a member of Appleton Dental Plan at Appleton's lowest "Group Rate". Appleton is a discount dental plan, which means the general dentists and specialists participating in Appleton Dental Plan have agreed to accept a discounted fee as payment in full for each service performed. Appleton's website lists all of the dental fees by ADA code and provides detailed information on Appleton Providers. A portion of all Appleton membership fees paid by SEVRAR members is donated to the "Hope for Children Golf Tour".
